

HOW TO PROPERLY RECYCLE IN SAN DIEGO

Project Kolika
Ocean conservation nonprofit

RECYCLABLES MUST BE

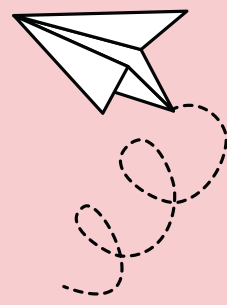

1. Dry
2. Clean
3. Loose

Unlike regular trash, recyclables should not be bagged!

PAPER, CARDBOARD, CARTONS

- Flatten boxes
- Keep lid on cartons
- No shredded paper, unless in a clear and sealed bag

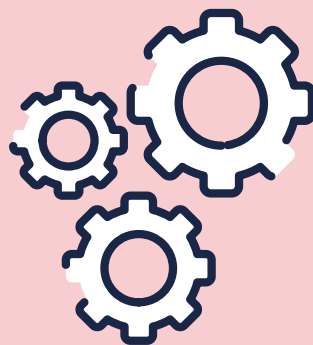

PLASTICS AND GLASS

- Keep lids on
- Any color glass
- No drinking glasses or window glass

METAL

- Aluminum cans and bottles
- Metal containers
- Empty aerosol

NONRECYCLABLES

- Plastic bags, plastic wrap, or packing peanuts
- Straws or utensils
- Facial tissues, paper towels, or napkins
- Batteries, light bulbs, or electronics
